Content Booklet

Main Homepage Content:

Ascent Physiotherapy is a full service physiotherapy clinic located in Comox, BC. We offer Physiotherapy, including Manual/Manipulative Therapy, IMS, Acupuncture, Radial Shockwave Therapy and exercise prescription including Personal Training to the residents of the Comox Valley and surrounding area.

News Page Content:

Plantar FASCIITIS, ROTATOR CUFF tendinopathy/calcifications, ACHILLES pain, HEEL Spurs affecting your life?

Radial Shockwave is now available at Ascent Physiotherapy with proven effectiveness treating chronic tendinopathies and many other conditions. New technology enhances comfort while still maintaining efficacy - based on technology originally developed for blasting kidney stones; this modality is now used for many conditions encountered in rehabilitation settings.
